"The retention of the expression 'situated within the jurisdiction of the University' occurring in two places in the amending Bill, namely, *clause* 15—Class III—Other members—Sub-clause (4) and *clause* 22—Class II—Other members—Sub-clause (5), is thus incompatible with the view set out above. It is accordingly proposed to delete it in both the places. The definition of jurisdiction of the University in clause 2 (ii) thus becomes unnecessary and will be omitted.

"The words 'affiliated to the University' will be inserted after the words 'second-grade colleges" in sub-clause (4) of clause 15—Class III—Other members—to secure greater precision."
